Ten ideas to live by :

I saw a Vinggelli poster series by Anthony Neil Dart and I very like his work.

His project is an example of excellent design copy it was a good experience for me.

In this project I tried to refine and improve the original idea using the same techniques.

The original design idea belongs to Anthony Neil Dart. This project is my own vision of his work.

Good art is a talent good design is a skill.

Design is a skill.

this design poster series is a bit different this time, it's design posters with my own artworks. I want to encourage fusion between different skills, in a design.

since I am always inspired by the blue sky, many of these artworks include that aspect in some way.

LIKE A SUMMER BY THE SEA

A VIEW - AN ESCAPE - A SUMMER BY THE SEA - A BALCONY WITH A VIEW OF THE HORIZON AND A GENTLE MEDITERRANEAN BREEZE - THIS IS WHAT YOU NEED TO INSPIRE YOU, NO MORE NO LESS. LETTING THE SEA IDEAS MATURE - FEELING ALIVE - BREATHING TO BETTER APPRECIATE THE MOMENT - TAKING THE TIME AND FEELING FREE - THAT'S WHAT IS NEEDED TO PRODUCE QUALITY, NO MORE NO LESS.

Nobody Is Thinking About You.

Nobody was ever thinking about you, anyhow. They aren't. They weren't. They never were. People are mostly just thinking about themselves. People don't have time to worry about what you're doing, or how well you're doing it, because they're all caught up in their own dramas.
